Author: Has Yachi ever fondled any breasts other than Nanami's? Hii-san from Tokyo
Yachi: I got that question way more than you'd expect. Here. This is a fax from the actual person.

Yachi: So who is it goin' to?
Author: Well, it's not really forbidden... no fondling is of course forbidden.
Yachi: Hey now. I haven't fondled anything...
Author: I know.
Yachi: This question... you're not going to publish it are you?
Author: Right, right. I won't publish it, probably.

One thing that I like
about being an adult
is when I break off for a
cup of coffee it tastes great.
The forbidden taste, or whatever it is
it makes you feel like you're living life.
Or maybe I'm just getting old, heh.
